#### (a) TRAVELLING ALLOWANCES:

(i) *Journey by Rail.*—In respect of such journeys, they will be treated at par with Government servants of the First Grade, and will be entitled to a single fare of the class of accommodation actually used, but not exceeding the fare to which the Government servants of the First Grade are normally entitled, i.e., accommodation of the highest class, by whatever name it may be called provided on the railway by which the journey is performed, plus an allowance for incidental expenses at the rate of 35 P. per every 10 kilometres or part thereof, if the journey exceeds 5 kilometres.

(ii) *Journey by road.*—In respect of the journeys by road between places not connected by rail, a member will be entitled to road mileage admissible to an officer of the First Grade under the rules and at the rates as applicable to the employees of the Himachal Pradesh Government.

In a case where journey between two places connected by rail is performed by road, rail being the ordinary mode of travelling, the road mileage will be regulated as under:—

(i) When a journey is performed by taking a single seat in a public conveyance, the lower rate of road mileage will apply.

(ii) When the journey is performed otherwise the higher rate of road mileage, but limited to rail mileage will apply.

#### (b) DAILY ALLOWANCES:

(i) Non-official members who are also members of the Vidhan Sabha will be entitled to Daily Allowance for each day of the meeting, except when the Vidhan Sabha or Vidhan Sabha Committee on which the member is serving is in session at the highest rate admissible to a Government servant of the First Grade for the respective locality, but limited to the rate as admissible to him as member Vidhan Sabha.

Before the claim is actually paid the controlling officer should verify the claim and satisfy himself, after obtaining such details as may be considered necessary, that the actual expenditure was not less than the amount claimed. In cases he is not satisfied with the details, he may, at his discretion, limit the conveyance allowance to road mileage.

If such a member uses his own car, he will be granted mileage allowance at the rates admissible to officials of the First Grade subject to a maximum of Rs. 10 per day.

(e) The travelling and daily allowances will be admissible to a member on production of a certificate by him to the effect that he has not drawn any travelling or daily allowance for the same journey and halts from any other Government source.

(f) The non-official members will be eligible for travelling allowance for the journeys actually performed

If any member performs journey from a place other than the place of his permanent residence to attend a meeting of the Committee or returns to a place other than the place of his permanent residence, after the termination of the meeting, travelling allowance shall be worked out on the basis of the distance actually travelled or the distance between the place of permanent residence and the venue of meeting, whichever is less.

(g) In the case of non-official members who are members of the Vidhan Sabha when the Vidhan Sabha or the Vidhan Sabha Committee on which the member is serving is in session, the member will not be entitled to draw any daily allowance in connection with his assignment on the official committee as he will be drawing his daily allowance under Salaries and Allowances of members of the Legislative Assembly Himachal Pradesh Act, 1963, from the Vidhan Sabha. However, if he certifies that he was prevented from attending the session of the House or the Vidhan Sabha Committee, because of his work connected with the Committee, and did not draw any daily allowance from the Vidhan Sabha, he would be entitled to daily allowance at the rate as prescribed.
